Open House

Please plan to attend Open House on Wednesday, May 16th from 6:30 -7:30 p.m. Your children have worked hard all year to learn important grade level concepts and to create special projects that demonstrate their learning. It's also a great opportunity to visit other classrooms to find out what will be the focus of instruction in the next grade level. We will be selling Jamba Juice (small and large portions) to benefit school-wide enrichment programs.

STAR Testing

California Standards testing began this week in grades 2-6. Testing will continue for 4th and 5th grade next week. Please make sure you encourage your child to do their best in effort. We're very proud of our students and pleased by how much they value learning. Thank you for all your efforts to promote good homework and study habits. Please make sure they get a good night's rest and a healthy breakfast each day of testing. Our school made a tremendous amount of growth last year and we'd like to continue that trend.

Runnin' For Rhett

Congratulations to the following students for completing the 5K run in our state's capital recently: Chris Pamplona, Juanita Pamplona, Karina Aguilar, Manuel Madeira, Longinos Godinez, Daniel Godinez, Dulce Lopez, Keiko Muraoka, Yahir Zavala, Jacqueline Coria, Bryce Normile, Keara Normile, Chase Normile, Trey Normile, Kody Wilkerson, Kyleigh Wilkerson, Rachel Cantu, Sarah Rodriguez, Hannah Neal, Arianna Rodriguez, Leonel Valencia, Sergio Gomez, Nicolas Rodriguez, Bertha Mendoza, Eduardo Mendoza, Mariah Rodriguez, Lindsay Siudara, Kayli Roberson, Sierra Roberson, Imily Vargas, Viviana Ponce, Jolene Colleton, David Henriquez, Marcos Ordaz, Nicholas Reichmann, Emily Reichmann, Casey Burnau, Selest Zanuda and Alaina Settle.

Safety

Please remember to adhere to our students and parents in the crosswalk. Do not double park in front of the school or perform an illegal U-turn in front of our school. The parking signs posted in front of the school encourage parents transporting students to limit their parking to two minutes after school. Honoring this request will provide for the safety of everyone. Thank you!
