

Parents:

The Galt Joint Union Elementary School District Food Service Department is excited to provide parents with a secure online payment service to deposit money into your child's school meal account. This service also provides parents with the ability to view your child's account balance, and a history of purchases made within the past 30 days. If you have more than one child in the district you can make all online prepayments from the one account. Payments may be made through an existing PayPal account or with a major credit or debit card. These services are available now.

**There is a \$1.75 convenience fee per deposit. Parents placing money into multiple meal accounts will only be assessed the \$1.75 fee once.**
