Dear McCaffrey Families,

We want to inform you of a situation at school today. The administration was notified this morning that a student told another student he was going to “shoot up” the school today. Following normal protocol, we contacted our school resource officer to investigate the situation immediately. The student who made this threat did not have a weapon or anything else that could potentially cause danger at school today. The Officer will be making a home visit and meeting with the family today.

We want our families and students to know that we take comments and situations like this very seriously, and there are strict consequences for this type of behavior which can include suspension and/or expulsion from school.

We strive to teach all of our students about making good decisions, and we reinforce the concepts of safety, responsibility and respect every day. We encourage families to talk to their child(ren) about the seriousness of making comments regarding topics related to safety issues.

We also encourage families and students to notify the administration immediately if they see or hear anything that makes them feel uncomfortable.

Thank you and if you have any questions, please feel free to contact us.

Thank you,

McCaffrey Administration
