Dear GJUESD Families,

I hope you have been enjoying the summer vacation! It's hard to believe the start of the 2023-24 school year is less than a month away. The first day of school is Thursday, August 17th. More information will be shared with you about the start of the school year as school offices open on Wednesday, August 2nd.

The District's [2023-24 Parent Information Guide](#) and required forms that need to be completed can be found on our website. The guide and forms will be sent home with students on the first day of school. Please complete the required forms and return them to your school. The District's website is a valuable resource for parents <https://www.galt.k12.ca.us/>. School site websites will be updated by August 4th.

State Assessment Results

You can access the spring 2023 state assessment results for the California Assessment of Student Performance and Progress (CAASPP) on Synergy. Results can be accessed electronically through [ParentVUE](#). Once you log in, click on state tests and then click on CAASPP to view your child's report.

If you need assistance creating a ParentVUE account, or if you are not able to view the report online, please contact your child's school office starting on August 2, 2023, to obtain an activation key specifically for your child. Student reports will be mailed to families in August.

We are excited to serve our students and families this school year. Staff are diligently preparing for a wonderful year full of learning, engagement and fun! We look forward to seeing you soon.

"Successful schools not only embrace but actively solicit the engagement of students' families."
